

## Camera Branch Rate Card

### Notes on rates

1. Under the current TV Drama and Major Motion picture agreements, shooting hours, preparation and wrap time should be specified in a deal memo in advance of the engagement.
2. If you are invited to offer your own terms, there's no reason why you (or your agent) can't issue your own deal memo to the production – especially if it is to summarise a verbal agreement.
3. The numbers given are for shooting hours. Where prep and wrap time is specified in the deal memo, adjust the rate to cover this additional time.
4. Crew are advised to keep labour rates separate from other charges such as equipment hire and box rates (a fee for your tool kit). If you do a deal, we advise you to maintain the labour rate on the invoice and discount the equipment.
5. Prep and Wrap time (P&W) that is normal to your grade (and noted on the deal memo) does not count as overtime (even when occurring after shooting overtime hours), but P&W time that is not normal to your grade, and is in excess of that norm, is extra work that needs to be paid for as overtime. Check the Camera Branch website for details of what is expected and what is not.
6. Where there is confusion about timings for overtime or other items, the branch advises that the crew reach a consensus to present to production.
7. If there are differing interpretations of the terms of the agreement, contact the branch for clarification.
8. Members are encouraged to send data about rates, hours and other information to our rate survey via our website.
