

Notes

Notes on rates

1. The Camera Branch advises you to record the terms of any verbal agreement in a deal memo and to email the record to production. If no contract is issued, this will be a 'paper trail' of the agreed terms in the event of any dispute.
2. The numbers given are for shooting hours. If any prep and wrap time is specified, adjust the rate to cover this additional time. The branch recommends that you do not make a deal that includes any prep & wrap.
3. Crew are advised to keep labour rates separate from other charges such as equipment hire and box rates (a fee for your tool kit). If you do a deal, we advise you to maintain the labour rate on the invoice and discount the equipment.
4. Where there is confusion about timings for overtime or other items, the branch advises that the crew reach a consensus to present to production.
5. You are encouraged to regularly contribute data about your rates, hours and other information to our rate survey at the branch website.

* Many names for this grade have been reported. We have selected the 2 most common: DoP/Lighting Cameraperson and Cameraperson. The duties vary, requiring varying requirements like levels of lighting, so two levels of rates are shown to cover the range.
